

## Lee Woo Sing College, The Chinese University of Hong Kong Hostel Application (Term Residence, 2021/22) Preliminary Allocation Results

### Successful Allocation

The following students have been successfully allocated with hostel places for term residence 2021/22 per periods as indicated. All rooms allocated are double-occupancy ones (two persons living in a double/ triple/ quadruple room to be randomly assigned). Unless specified, students are allocated with whole year residence; except those marked T1 (term 1 only) or T2 (term 2 only) under the "Period" column.

Students flagged with special indicators under the "Indicators" column, who have outstanding payments or which their offers are conditional should refer to the email result slip to be sent to each applicant individually for details. Please follow the instructions on the result slip for settlement to secure their places.

The allocation population has been divided into two main groups this year, according to their vaccination status. Students in a specific group can only indicate their roommate preference with those in the same group. Students assigned to International House will receive further notification for registration from Office of Student Affairs soon.

Special arrangements for allocation confirmation in 2021/22: Except for students assigned to International House, all students shall confirm their residence and accept the terms for declared vaccination status via the links listed under each group (A or B) on or before 16<sup>th</sup> July 2021 (23:59). Failure to confirm the allocation will be treated as giving up the allocated place.

### GROUP A Students

Please note: Group A students can only indicate their roommate preference with those in Group A.

## Zone/ roommate preference and appeal/ special consideration

Successful applicants have to submit an online “Zone/ Roommate Preference Form” (available from 6<sup>th</sup> August 2021) if they wish to indicate their living zone and roommate preference. Students shall only submit the Form indicating their roommate preference with students of the same group (A OR B).

Random room allocation (with no regard to applicants’ hostel scores) to different living zones will be implemented. Final year students and students indicated their preference to live with non-local/ incoming exchange students will be given priority in living zones assignments.

Unsuccessful applicants may lodge appeals (for procedural problems) or special consideration requests (family, medical or other reasons deemed appropriate) via an online form with supporting documents (<https://cloud.itsc.cuhk.edu.hk/webform/view.php?id=13568360>). *Application period for appeal is from the date of result release until 1<sup>st</sup> August 2021.* Results of appeals will be announced once processed.
